

# GAME PLAN

## Off-Season Priority Check list:

- ➡ **Academics-** The off-season is the perfect time to make sure your core course grades are on track for college. Fix any D's or F's, with online courses or summer school.
- ➡ **SAT/ACT-** Freshman and Sophomores need to start getting accustomed to the prep courses for both tests. Junior in high school, should schedule a test after the fall. Continue to take the test until you are NCAA Clearinghouse eligible [www.eligibilitycenter.org](http://www.eligibilitycenter.org)
- ➡ **Camps and Combines-** You should decide which camps and combines, you will attend in the off-season to create some exposure for yourself. Be careful not to over-extend yourself.
- ➡ **Perfecting Your Craft-** Pick 3 skills that you want to improve before next football season. We are a big believer in football players playing other sports as well. Sports like basketball, wrestling, baseball, soccer and track, all have components that can help you become a better football player.
